The Registrar office asks that you please give the Reflexology registry every consideration in this matter.
- 4. **We will discuss application status with the applicant or applicant's spouse only**. Please inform hospitals, employers, recruiters, referral companies or insurance companies that application status updates must be obtained from you.
- 5. If necessary documentation has not been received when your application has been received by the Registrar's office, an initial deficiency letter will be sent to you by certified mail. The supporting documentation requested in the letter must be received in the Registrar's office sixty (60) days from the date of the initial deficiency letter. Files not completed in a timely manner will be closed.
